

# Road Angels Tailpipes

Monthly Newsletter of Who, What, Where & When

## From the Prez

As always, welcome to this month's issue of the Tailpipes.

We will be having Cruise Nights once again in 2024 beginning in April. They will be at the Dublin Volunteer Fire Company. Check for start times on page 4. As usual, we will have a DJ, Club Members selling 50/50 tickets and the Fire Company will once again be selling hot dogs, hamburgers, steak sandwiches, etc. We look forward to seeing you there.

Spring is almost here. Temperatures are moderating and we will be out soon so get those cars ready. I wrote a little article for Shifting Gears to help.

Thank you to all of our Car Show Sponsors in 2023. Even though our 2023 Show was "rained out", our Car Club was able to distribute \$11,000 to local charities and organizations. Our members will be out soon to acquire more sponsorships which are important to the success of our show and do allow the Club to continue the legacy of community support. Many of our sponsors are shown at the end of the newsletter. Please consider supporting them.

We are accepting early registrations for our 2024 Car Show. The registration form is in the back of the Newsletter. Hope to see you in July at the Dublin Volunteer Fire Company.

The Club agreed to bring a canned food good to our meetings each month to be donated to the Food Larder at the New Britain Baptist Church. This month, we collected **96 pounds of food with a goal of 1,200 lbs. collected for the year.** Way to go Road Angels and THANK YOU!

Thank you for your continued interest in the Road Angels of Doylestown and, of course, your support as we strive to support local non-profit organizations.

## Bringing your Car Out of Hibernation

Spring is springing, Daylight Savings Time has just begun and robins have arrived. Show season is on the way. Not so fast though as there may still be residual salt on the roads. Warming weather is on the way so, now is the time to prep your ride for a new show season. Here are the tasks to be performed.

- Inspect underside of car appropriately torquing bolts
- Check for fluid leaks such as transmission pan and tighten as needed
- Change the oil as necessary with new oil filter
- Lubricate the car
- Check all fluid levels
- Check battery for proper charge
- Check plugs for condition and gap as necessary
- Check timing etc.
- Torque wheels
- Put car on floor
- Inspect hoses and belts
- Wash and polish the car
- Clean the interior
- Check all lights for proper operation
- Check tires for proper inflation
- Take the car for a ride
- Enjoy your ride and upcoming shows!
